

REMARKS

Claims 57, 59, 62, 63 and 66 have been deemed allowable. By the present communication, no claims have been added, canceled or amended. According to the Notice, the file is being held in the Publishing Division to await the correction of an alleged inconsistency between the drawings and the specification.

Applicants have amended the specification to remove the alleged inconsistency between the drawings and the specification. The amendment does not raise any new issues requiring further consideration or search. Accordingly, Applicants submit that claims 57, 59, 62, 63 and 66 are allowable and request that the application proceed to issuance upon payment of the issue fee.
